### A • Instructions for using a Taxi

Taxis location

To leave the train station, you will find taxis at the exit, just in front of the station.

To recognize an official taxi

An official taxi can be identified by the «light» on the roof of the vehicle. If you are approached by people posing as taxi in the train station, we invite you to decline any proposal of transportation.

### B • Instructions for using a Taxi **G7** booking

From the train station, you can use the service **G7 booking**

It is a most reliable taxi service. You can order directly on line and a driver will wait for you and take you directly at the station, on the platform at the head of your train.

You can choose your taxi among a large range of cars. Many cars seat up to 7 people.

A wide range of extra addition features are also available to meet your needs: wifi, booster seats, english-speaking drivers, etc.

You can book on line on:
