C • Bus Direct + Bus 28	••	••	••	••	50

1: dense road traffic

2: fluid road traffic

• not very good

•••• very good

Remarks about the estimated price:

- the price is an estimation for 4 adults.
- it can be modified according to the number of people, your luggages and also the date of your arrival. Please check the price for your situation.

- if you use the public transports (option C), you could also buy a [navigo card](#) or a [Paris visit pass](#).
- if you are 2 or 3 people, the taxi (options A and B) is normally less expensive than the Bus Direct (option C).

A •

TAXI

You'll find many cars waiting for clients, at the exit of the Airport. But you'll certainly have to queue before getting in one...

[Detailed instructions pages 2 - 3](#)

B •

TAXI G7 booking

The most comfortable option if you want to use a taxi. You book your taxi before your trip and the driver takes you at the airport.

C •

**Bus Direct
+ Bus n°28**

Remarks:

1/ Orly airport is very near from your flat : 11 km.

2/ Other public transport exist to go to your flat from Orly, among them the RER B. But, we don't recommend them because they are much less convenient than the option C - Bus Direct and Bus n°28.

A • Instructions for using a Taxi

Taxis location

To leave the airport, you will find taxis at the exit to the baggage reclaim area of your arrival terminal: Paris-Orly South, exit L / Paris-Orly West, exit B Arrival level.

To recognize an official taxi

Only taxis at the gates mentioned above (Cf. taxis location) are allowed to take customers.

These taxis can be identified by the «light» on the roof of the vehicle. If you are approached by people posing as taxi, when leaving the baggage claim area, we invite you to decline any proposal of transportation.

B • Instructions for using a Taxi **G7 booking**

From your airport, you can use the service **G7 booking**

It is a most reliable taxi service. You can order it directly on line. After a minimum wait of 15 minutes a driver will take you out of flight with name sign.

You can choose your taxi among a large range of cars. Many cars seat up to 7 people. A wide range of extra addition features are also available to meet your needs: wifi, booster seats, english-speaking drivers, etc.

The data of your trip, the selection of the vehicle and possibly the choice of additional options will define the fixed amount of the service.

You can book on line on:
